[...] II. Authorised Use of Licensed Materials

For the purposes of this Agreement 'Authorised Users' include:

Individuals who are authorised by the Licensee or a Participating Institutions to access the Licensee's or an Institution's information services whether on-site (including Walk-in-Users who are not individually registered) or off-site via Secure Authentication and non-institutional users authorized by the Licensee or Participating Institution for access to the Licensed Material via Secure Authentication.

These users have access privileges at the following types of institutions ('Participating Institutions'):

- a) Publicly or privately funded higher education and research institutions in Germany
- b) The German National Library, all regional and state libraries as well as main subject libraries
- c) Primarily publicly funded research libraries and special academic libraries
- d) Research institutes primarily funded by German federal or state governments, including research institutions located abroad but funded by public bodies or primarily publicly funded bodies in Germany
- e) Governmental institutions
- f) Diocesan libraries and regional church libraries in Germany

A list of Participating Institutions - which can be widened if required - can be provided to the Licensor by the Licensee before activation of access to the licensed materials. Licensee will provide details as follows:

Licensing institution name and address

Licensing institution contact email address

Licensing institution IP Ranges

Non institutional Access: Individuals who are authorized by the Licensee or a Participating Institution for access to the Licensed Material via Secure Authentication are deemed to be Authorised Users. Non institutional access of individuals shall be permitted via individual authentication subject to a requirement of residence in Germany.

Downloads: The Licensee and Authorised Users may download, retain, store and use unlimited portions of the Licensed Materials save for video content which is excluded for the purposes of downloading, storing, printing and transmitting. For the avoidance of doubt, links to the films can be created for works created electronically. Screengrabs, photocopies and printouts of images from films can be used to accompany printed material. Films or Clips can also be embedded on a webpage. Please note this selection of images is protected by copyright, and duplication or sale of all or part of the image selection is not permitted, except that the images may be duplicated by you for your own research or other approved purpose either as prints or by downloading. Such prints or downloaded records may not be offered, whether for sale or otherwise, to anyone who is not a member of staff of the publisher. You are not permitted to alter in any way downloaded records without prior permission from the copyright owner. Such permission shall not be unreasonably withheld.
